Subject: FRA: Conclusion of IPERA testing
Date: Monday, November 19, 2012 2:16:04 PM

Good Morning,

We would like to thank you for your support of this year's Improper Payments Elimination and Recovery Act (IPERA) of 2010 testing. As you are aware, a disbursement made to you by the FRA was selected for testing. Over a two-and-a-half month period, we collected documentation and tested your transactions for compliance with IPERA. We asked you to work with us over a very short time period, with very short turnaround times. With your prompt assistance and cooperation, we completed the testing and met the deadline set for the Agency Financial Report provided to Congress.

If you are receiving this email, no improper payments were identified for your Rail Authority during our review.

It has been a pleasure working with you, and thank you for assisting us in completing the testing in a timely manner.
